

## Lantana Awards Hall Contract

LANTANA—Town Council at a special session Thursday night adopted a resolution to award a \$10,000 contract for the construction of an addition to Town Hall.

But a West Palm Beach attorney, representing two Lantana citizens, cautioned the council that if it did award the contract to Robert Tedcastle his clients would file an injunction.

The attorney, Joseph H. Lesser, said the injunction would be on the grounds that the council did not comply with a Charter provision in advertising for bids on Town Hall.

Council unanimously voted to allow Lesser 10 days to prepare and file his injunction before signing the contract with Tedcastle. Council was advised by Willard Utley, town attorney, that in his opinion advertising was properly done and in accordance with the Charter.

The motion to award was passed by a 3-2 vote, Councilmen Charles Brown and Robert Schier dissenting.
